

# Feline Surgery Information/Consent Form

Owner's Name: \_\_\_\_\_ Patient (Cat's) Name: \_\_\_\_\_

\*Phone # where we may contact you for further information or in case of an emergency: ( ) - \_\_\_\_\_

What type of surgery is your pet scheduled for today? (Please circle all that apply)

Spay (female)      Neuter (male)      Declaw front only      Declaw ALL 4 feet      Dental      other: \_\_\_\_\_

**\*All spays and declaws are performed with a laser for less pain, less swelling, less blood and faster recovery time.**

**Is your pet current on vaccines? \*\***  YES     NO    \*\*We do not require cats be up to date on vaccinations prior to surgery. Should you elect for your cat to NOT be up to date prior to surgery, Spring Meadow Vet Clinic will not be held responsible for any sickness incurred during your cat's stay; your cat should be current on all vaccines, for best results all vaccines MUST be given at least 2 weeks prior to the hospital stay.

**Your pet's surgery treatment plan will also include the placement of an IV catheter and pain medication for your pet to go home with after the surgery.**

Additional Services	Description	Cost	Accept	Refuse
<b>Pre-Surgical Blood Panel</b>	Prior to anesthesia we highly recommend a <b>blood work-up</b> to tell us how well your pet's organs are functioning today, and to make sure your pet is ready for anesthesia.	\$82		
<b>Feline Leukemia/FIV Testing</b>	Feline Leukemia and FIV (Feline Immunodeficiency Virus) are two viruses spread through saliva and blood during grooming or fighting. All cats are susceptible unless vaccinated.	\$45		
<b>Biopsy for patient having lumps removed</b>	If your pet is having a lump removed today, we recommend that the lump be sent to the lab for a histopathology (a test to tell us what type of lump it is). We will have results in 5-7 business days.	\$120 to \$165		
<b>HomeAgain Microchip</b>	1 in 3 pets will get lost; Without ID, 90% won't return home. <u>If you desire, we can place a <b>Home Again microchip</b> at a reduced cost (\$5.00 off) while your pet is under anesthesia.</u>	\$45		
<b>Vaccinations</b>	Initial below if you would like your cat to be vaccinated today. We recommend all cats be vaccinated annually for: ___ FVRCP (Feline Viral Rhinotracheitis, Calici and Panleukopenia) \$30.00 ___ FeLV (Feline Leukemia) \$20.00 ___ Rabies Vaccine \$22.00	See box to left		
<b>Parasite Testing</b>	We recommend an intestinal parasite screen every 6 months to ensure your pet is free of intestinal parasites such as round, hook and tape worms.	\$29		

**\*If Fleas are present on your pet during the time of surgery, your pet will be given a dose of medication that will kill the fleas for 24 hours; this fee will be added to your total invoice. \_\_\_\_\_**

I understand that during the performance of the foregoing procedure or surgery, unforeseen conditions may be revealed that necessitate an extension of the procedure or surgery, or of different procedures or surgeries than those set forth above. Therefore, I hereby consent to and authorize the performance of procedures or surgeries, as deemed necessary by the veterinarian. I have been advised as to the nature of the procedure(s) or surgery and the risks involved. I realize that results cannot be guaranteed. I am the owner or agent of the above-described animal(s) and have the authority to execute this consent. I am also aware that unforeseen events resulting from the procedure(s) will not relieve me from any obligation to all reasonable costs incurred regarding the animal. I also understand that these charges will be paid for at the time of release and a deposit may be required. I hereby consent and authorize the performance of the procedure(s) listed above.
